## Personal Blog

Recreate the template below:

Sample website found on the net

<https://www.awwwards.com/web-design-trends-for-2017.html>

**Main Task:**

Create a website about yourself.

The website must be developed using HTML and or CSS, consisting of a minimum of 5 inter-linked pages. The website should have details about your life. **The background image should be a photo of you:**

- A homepage that only has your image and the large typography.
- The rest of the pages should cover your life in detail.
- For navigation a minimalist approach should be adopted.

**NB:** An important aspect of the site will be use of color

**Submission information**

- Student is expected to submit the assignment as a soft copy

**Specific Information**

- This Assignment is to be do individually and it carries 20% of module total mark.

**Rules and regulations**

- You are to complete this assignment individually.
- You are NOT allowed to work together to get a detailed solution, to copy a solution, or to give away a solution.
- If there is too much collaboration from your common discussion by looking at the solutions, in such instances of academic dishonesty may result in you getting zero marks for this piece of assignment.
- Do NOT let others see your solution.
- Do NOT e-mail your solution to anyone.
- If someone cheats by using your work, you will be penalized.
